27004 LAPICQUE L, LAPICQUE M Aptitude au galvanotonus dans les nerfs moteurs de batraciens sous l'influence de certaines action expérimentales. [Aptitude to galvanotonus in the motor nerves of batracians under the influence of certain experimental actions] p. 947-50.

27005 BINET L, DEJOURS P, LACAISSE A Un aspect fonctionnel de l'hypertrophie rénale provoquée par un régime hyperprotidique chez le rat. [A functional aspect of renal hypertrophy provoked by protein overload in the rat] p. 950-3.

27006 SIMONNET H, THIEBLOT L, BOULLIER M Influence des médiateurs chimiques administrés localement sur la réponse oestrale du vagin de la rate castrée. [Effect of chemical mediators administered locally on the estral response of the vagina of the castrated rat] p. 953-5.

27007 CHAMBON Y Action synergique de la vitamine D et de la progestérone dans l'obtention de l'ovoimplantation chez la lapine gestante castrée. [Synergic action of vitamin D and of progesterone in obtaining ovum implantation in the castrated pregnant rabbit] p. 955-9.

27008 CHAMBON Y Effets de la vitamine D chez la lapine et la rate impubères ou castrées. [Effects of vitamin D in impuberal or castrated female rabbit and rat] p. 960-3.

27009 GALEA M Sur le méchanisme de l'immunité anti-aphteuse active du cobaye [Mechanism of active foot and mouth disease immunity in the guinea pig] p. 964-5.

27010 VINCENT D, PARANT M Sur quelques particularités de la coagulation du plasma par la thrombase en fonction du pH. [Some peculiarities of the coagulation of plasma by thrombase in relation to pH] p. 965-7.

27011 SOULAIRAC A, DESCLAUX P Dissociation des réactions histologiques et histochimiques du canal déférent du rat à la suite d' administration d'hormone mâle. [Dissociation of the histologic and histochemical reactions of the vas deferens of the rat following administration of male hormone] p. 967-70.

27012 HERSCHBERG A D, HUIDOBRO H Action du propionate de testostérone sur la teneur en histamine du foie et du poumon de cobayes mâles et femelles. [Effect of testosterone propionate on the histamine content of the liver and lung of male and female guinea pigs] p. 970-1.

27013 CORABOEUF E Modification progressive des caractéristiques du nerf myélinisé au cors du passage d'un courant continu sous-liminaire. [Progressive modification of the characteristics of myelinized nerve during passage of a subliminal continuous current] p. 972-4.

27014 LEGOUIX S P, THIEULIN R L'inhibition anelectrotonique test sensible de l'état physiologique des fibres nerveuses; application à l'étude des modifications produites par les variations de température. [Anelectrotonic inhibition, sensitive test of the physiologic state of nerve fibers; application to the study of modifications produced by variations of temperature] p. 975-7.

27015 NOEL R, DROUIN M Influence de l'absorption de thiourée sur le noyau de la cellule hépatique de la souris blanche. [Effect of absorption of thiourea on the nucleus of the hepatic cell of the white mouse] p. 977-8.

27016 BOQUET P, IZARD Y Action de deux substances adrénolytiques sur l'intoxication expérimentale par l'antigène typhique O. [Effect of two adrenolytic substances on experimental intoxication with typhoid O antigen] p. 979-81.

27017 GUILLAUMIE M, KREGUER A Action de la chaleur sur les différents types de toxine perfringens. [Effect of heat on the different types of perfringens toxin] p. 981-4.

27018 NIGEON-DUREUIL M, RABINOWICZ M, RATSIMAMANGA A R Effet de la corticotrophine sur le scorbut expérimental. [Effect of corticotrophin on experimental scurvy] p. 984-9.

27019 WOLFF R, KARLIN R, DROUET P, RAUBERT G Elimination urinaire de vitamine B_{12} après injection intramusculaire chez l'homme. [Urinary elimination of vitamin B_{12} after intramuscular injection in man] p. 989-91.

27020 WOLFF R, ROYER P, KARLIN R Taux de la vitamine B_{12} dans le foie d'animaux intoxiqués par le tétrachlorure de carbone. [Vitamin B_{12} level in the liver of animals poisoned with carbon tetrachloride] p. 991-4.

27021 LAMY L, LAMY H Déterminisme de la zygose chez Balantidium coli, en culture; action de la température. [Determinism of zygosis in Balantidium coli in culture; effect of temperature] p. 994-6.

27022 KOHLER D Action comparee, sur l'intestin isole, de quelques amines isostères dans lesquelles un groupement-CH_2- est replace par un oxygène. [Comparative action on isolated intestine of some isostere amines in which a -CH_2- group is replaced by an oxygen] p. 997-9.

27023 CHEYMOL J, GAY Y, LAVEDAN J P Y a-t-il une action antithyroïdienne des diphénols? [Antithyroid action of diphenols] p. 999-1001.

27024 BOYER F, CAUCHY L, VERGE J La sulfonémie chez la vache. [Sulfonemia in the cow] p. 1001-3.

27025 PLACIDI L, SANTUCCI J Sur la réceptivité du boeuf marocain autochtone au virus aphteux. [Receptivity of autochthonous Moroccan cattle to foot and mouth disease virus] p. 1003-5.

27026 HALPERN B N, BOURDON G Comparaison de l'efficacité du phénergan et du néoantergan dans la protection de la souris surrenalectomisée contre l'intoxication histaminique. [Comparison of the efficacy of phenergan and of neoantergan in the protection of the adrenalectomized mouse against histamine intoxication] p. 1005-8.

27027 TUBIANA M, GRUNER J, OLOMUCKI M, SUNG S S Le mouvement du radiobrome dans le système nerveux du lapin; etude après perfusion. [Movement of radiobromine in the nervous system of the rabbit; study after perfusion] p. 1009-11.

27028 TUBIANA M Mesure du temps de renouvellement d'hormone thyroïdienne naturelle marquée par le radioiode chez le lapin et chez l'homme. [Determination of the time of renewal of natural thyroid hormone labelled with radioiodine in rabbit and in man] p. 1011-3.

27029 STUTINSKY F Potentialisation de l'effet de l'insuline chez le lapin normal. [Potentialization of the effect of insulin in the normal rabbit] p. 1014-7.

27030 HALPERN B N, BRENTANO J L F Modifications de l'équilibre hydro-osmotique du tissu rénal au cours de l'anurie expérimentale provoquée par l'intoxication mercurielle. [Modifications of the hydro-osmotic equilibrium of renal tissue during experimental anuria provoked by mercury poisoning] p. 1017-21.

27031 BUSER P, ALBE-FESSARD D Observations sur les réponses corticales obtenues par stimulation localisée du cortex de lapin. [Cortical responses obtained by localized stimulation of the cortex of rabbit] p. 1021-5.

27032 TAUC L Membrane protoplasmique et effet photoélectrique chez Vicia faba. [Protoplasmic membrane and photoelectric effect in Vicia faba] p. 1025-7.

27033 SCHERRER J Modifications apportées à la transmission réflexe segmentaire par la transsection de la moelle sus-jacente. [Modifications produced in segmental reflex transmission by transection of the suprajacent spinal cord] p. 1028-31.

27034 SCHERRER J Action de la strychnine sur le réflexe segmentaire spinal. [Effect of strychnine on the segmental spinal reflex] p. 1031-4.

27035 HALPERN B N, DICK P Influence des substances hyperthermisantes sur l'activité granulopexique du système réticulo-endothélial. [Effect of pyrogenic substances on the granulopectic activity of the reticuloendothelial system] p. 1035-7.

27036 HAZARD R, CORTEGGIANI E, CORNEC A De quelques actions du chlorhydrate de l'ω-diéthyl amino-2-6 diméthylacétanilide (xylocaïne ou lidocaïne) et de son iodométhylate. [Some effects of ω-diethyl amino-2-6-dimethylacetanilide hydrochloride (xylocaine or lidocaine) and of its iodomethylate] p. 1038-9.

27037 HAZARD R, NEZAMIE A H, CORTEGGIANI E, CORNEC A Action comparée des iodométhylates de procaïne et de son homologue inférieur l'ester para-aminobenzoïque du diméthyl amino éthanol. Rôle des alcools aminés correspondants. [Comparative action of iodomethylates of procaine and of its inferior homologue para-aminobenzoic ester of dimethyl amino ethanol. Role of corresponding amino alcohols] p. 1040-1.

27038 CHAMPY C, DEMAY M Réaction de la rate à la cortisone, à l'ACTH et aux salicylates. [Reaction of the spleen to cortisone, ACTH and salicylates] p. 1042-3.

27039 SALMON J Conditions d'action de la ribonucléase sur les cellules criblées. [Conditions of action of ribonuclease on the cribrose cells] p. 1043-5.

27040 PARROT J L, URQUIA D A, LABORDE C Captation de l'histamine par le sérum humain normal. Défaut de captation par le sérum d'asthmatique. [Histamine fixation by normal human serum. Lack of fixation by serum of asthmatic] p. 1045-7.

27041 PARROT J L, LABORDE C Captation de l'histamine par l'héparine. [Histamine fixation by heparin] p. 1047-51.

27042 BONVALLET M, MOREL E, BENDA P Sur quelques épreuves susceptibles de déclencher une éosinopénie d'origine émotionnelle, chez le chien. [Tests capable of provoking an eosinopenia of emotional origin in the dog] p. 1051-5.

27043 BONVALLET M, MOREL E, BENDA P Sur le mécanisme de la transmission à l'hypophyse des stimuli provoquant la décharge émotionnelle d'hormone corticotrope, chez le chien. [Mechanism of transmission to the hypophysis of stimuli provoking the emotional discharge of ACTH in the dog] p. 1055-60.

27044 MOREL E, BONVALLET M, STUTINSKY F Réponses éosinopéniques émotionnelles et développement du cortex surrénal dans la période post-natale, chez le chien. [Emotional eosinopenic responses and development of the adrenal cortex in the post-natal period in the dog] p. 1060-3.

27045 RAYNAUD A Spermatogénèse active, en hiver, chez les mulots (Apodemus sylvaticus L.) élevés dans une cage placée à l'extérieur, dans un jardin. [Active spermatogenesis, in winter, in field-mice (Apodemus sylvaticus L) raised in outdoor cage] p. 1063-9.

27046 JOST A, JACQUOT R Essai d'analyse des effets de la décapitation sur l'organogénèse génitale du lapin, en rapport avec des données de biométrie hypophysaire. [Analysis of the effects of decapitation on genital organ genesis of the rabbit in relation to data of hypophysial biometry] p. 1069-72.

27047 ORSINI D, LAGET P, LAVIGNE S Sur les propriétés électrophysiologiques des nerfs d'oiseaux. [Electrophysiologic properties of the nerves of birds] p. 1073-5.

27048 HALPERN B N, COURNOT L Relation entre l'évolution pondérale de l'hypertrophie rénale compensatrice chez le rat, et la teneur de l'organe en azote total et nucléique. [Relation between the weight development of compensatory renal hypertrophy in the rat and the total and nucleic nitrogen content of the organ] p. 1075-9.

27049 HALPERN B N, COURNOT L, CAMU J Action du propionate de testostérone sur

l'évolution pondérale de l'hypertrophie rénale compensatrice chez le rat et la teneur de l'organe en azote total et nucléique. [Effect of testosterone propionate on the weight development of compensatory renal hypertrophy in the rat and the total and nucleic nitrogen content of the organ] p. 1080-4.

27050 DELL P, OLSON R Projections thalamiques, corticales et cérébelleuses des afférences viscérales vagales. [Thalamic, cortical and cerebellar projections of vagal visceral afferences] p. 1084-8.

27051 DELL P, OLSON R Projections "secondaries" mésencéphaliques, diencéphaliques et amygdaliennes des afférences viscérales vagales. [Secondary mesencephalic, diencephalic and amygdalian projections of vagal visceral afferences] p. 1088-91.

27052 DEYSINE A, BONET-MAURY B Les effets biologiques des rayons β du P_{32} sur B. coli. [Biological effects of beta rays of P^{32} on Escherichia coli] p. 1091-3.

27053 KAYSER F, BESSON S, EHRWEIN A Sur le métabolisme azoté et carboné de Escherichia coli en présence de sulfanilamide seul ou associé au phénol. [Nitrogen and carbon metabolism of Escherichia coli in the presence of sulfanilamide alone or associated with phenol] p. 1094-6.

27054 GRANDPIERRE R, FRANCK C, VIOLETTE F Action des anoxémies hypercapnique et hypocapnique sur l'effet chronotrope négatif du nerf pneumogastrique. [Action of hypercapnic and hypocapnic anoxemias on the negative chronotropic effect of the pneumogastric nerve] p. 1096-1100.

27055 GRANDPIERRE R, FRANCK C, VIOLETTE F Hyperventilation provoquée par les mouvements passifs. [Hyperventilation provoked by passive movements] p. 1100-4.

27056 MICHON P Variantes du test indirect de Coombs dans les syndromes hémolytiques. [Variants of the indirect Coombs test in hemolytic syndromes] p. 1104-8.

27057 WOLFF R, ROYER P, KARLIN R Répartition de la vitamine B_{12} dans les organes du cobaye. [Distribution of vitamin B_{12} in the organs of the guinea pig] p. 1108-8.

27058 BENOIT J, ASSENMACHER I Circulation porte tubéro-préhypophysaire chez le canard domestique. [Tubero-prehypophysial portal circulation in the drake] p. 1112-6.

27059 VLYSSIDES Z, ARON C, MARESCAUX J Action de la folliculine sur la thyroide chez le cobaye mâle entier et castré. [Effect of folliculin on the thyroid in the intact and castrated male guinea pig] p. 1109-12.

27060 WALTER F X Réponse de la crête du chapon thyroïdectomisé à l'administration prolongée de testostérone, accompagnée ou non, d'administration de thyroxine. [Response of the crest of thyroidectomized capon to prolonged administration of testosterone, with or without administration of thyroxine] p. 1116-9.

27061 MANTZ J, KLEIN M Remaniements du nerf optique consécutifs à la ligature et à la section expérimentale, chez le rat. [Modifications of the optic nerve following experimental ligation and section in the rat] p. 1119-21.

27062 KLEIN M, MANTZ J Sur les réactions des gaines méningées et sur la cicatrisation des nerfs intra-orbitaires à la suite d'interventions sur le nerf optique chez le rat. [Reactions of the meningeal sheaths and cicatrization of the intraorbital nerves following optic nerve surgery in the rat] p. 1121-3.

27063 VENDRELY C, KAYSER C Recherches sur le fonctionnement du système nerveux des hibernants. Différences entre le comportement du hamster ordinaire (Cricetus frumentarius) et le spermophil (Citellus citellus). [Function of the nervous system in hibernating animals. Differences between the behavior of the common hamster (Cricetus frumentarius) and the spermophile (Citellus citellus)] p. 1123-6.
